1. The organization is legally registered as a non-profit organization according to the Law of Non-Profit Organizations, and its registration number is **580431138**.
2. The organization's objectives: Assistance and support for the needy.
3. The organization is authorized to accept donations according to Paragraph 46 at the Income Tax Administration.

**Explanation 2—Accounting Policies**

The following accounting policies were implemented consistently throughout the compilation of these financial reports:

A. Foundations of financial report:

Beginning from year 1997, the organization has compiled its reports in accordance with transparency policies as specified in Law 69 of the Institute of Certified Public Accountants in Israel.

The financial reports are prepared using conventional nominal values of the historical cost and do not reflect the effect of changes in the general consumer power of the Israeli shekel on the business results.

The cash flow report usually required by conventional accountancy policies is not presented, as the organization's directorate does not believe that it adds any essential financial data to the information already presented in the other sections of this report.

B. Fixed Assets

Fixed assets are presented according to the cost minus depreciation, in accordance to the life expectancy of the assets.

Annual depreciation costs are follows:

	%
Cars	15
Furniture & office equipment	7-15
Computers	33

C. Net Assets

In accordance with Transparency Law 69 of the Accountants' Bureau in Israel, the organization's net assets are presented as follows:

Unlimited assets that served for regular activity use—for steady activity of the company.

Unlimited assets that served as fixed assets—for the sums designated as fixed assets (including purchases and depreciation costs).
